

If you were fortunate to be with us for the Debbie Bliss visit, she showed us her new Pure Cashmere collection. The yarn and pattern books are here and that signals the arrival of other fall yarns. In order to make space for them, and other goodies, we are having our first Summer Clearance Sale.

Join us on Friday, August 4th – Sunday August 6th and save 40% on seasonal yarn. All sales are final.

New Fall Yarns that are here (or on the way):

- Berroco: **Keltic, Memoirs, Trilogy** - dyed to complement each other
- Classic Elite: **Wool Bam Boo** - simply scrumptious!
- Debbie Bliss: **Pure Cashmere** – it's here, all twelve colors, along with the book Pure Cashmere
- **Cashmerino DK** and the corresponding Cashmerino DK book
- Ellen Cooper: **Let's Twist, Texas Bighorn**
- Elsebeth Lavold: new yarn **Silky Cashmere**
- Himalaya: **Baby Yeti** – 100% silk from Tibet
- Knit One Crochet Two: **Paintbox** - subtle color changes create soft stripes - great for felting!
- Lorna's Laces: **Swirl Chunky** – a fabulous three ply of merino & silk
- Mission Falls: **1824 Wool** - new for us; books and buttons too!
- Rowan: new yarns **Romance, Tapestry**
- Windy Valley: **Qiviut** – this ultra soft fiber from the fine undercoat of the muskox is called qiviut (kiv-ee-ute). Qiviut is naturally a soft grayish-brown color, and is one of the warmest and most luxurious fibers in the world. However, when qiviut is dyed the colors are so complex it is hard to describe them. Come see for yourself.

Other New Additions you will find at Creative Fibers:

- **Cherry Tree Hill's Cheryl Potter ~ Ribbon Style** (2 autographed copies) and accompanying ribbon yarn kits.
- **Knit in the Dark Needles.** A tiny battery illuminates the tips. Enjoy knitting anywhere, anytime...day and night. Illuminates knitting with black, dark and fuzzy yarns.
- **Buxton Brook Weavettes** and pattern book – we currently carry the 2x2 looms and have the 4x4's on order. Try your hand at these simple yet versatile looms.
- **Namaste Vintage Tote Bag** – give us your feedback on this 1940's inspired project tote and you may win one of three Namaste Knit-a-row-matherapy candles.
- **Instant scarves for non-knitters:** take a scarf mesh (\$8) and weave your favorite ribbons through. Voila – the perfect holiday gift!
- **Fiddlesticks lace patterns** – from easy scarves to complex shawls, lace is making a comeback.
- **Dill buttons** – quite an assortment! New buttons for felting projects too.

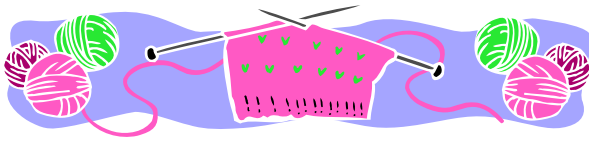

Store Samples For Sale. I never thought I would say that we had too many store samples. Well, we do, and we are selling some of them. They make excellent gifts for others or yourself. (Please understand that some are from private collections and are not for sale).
